Memo for DCI by DD/R(Scoville)

Subj: COMOR Action on JCS Proposed Tackle Mission

On 8 March Col. R. D. Steakley of JRC submitted to Special Group a request for a TACKLE mission over China, in violation of the terms of DCID 2/7 which provides that COMOR shall coordinate requirements using overhead recon systems for USIB, its members and committees. DD/R suggested that possibly the language of DCID 2/7 should be amended to make it more clear, because multilateral approaches to the Special Group for overflight missions could only lead to confusion.
